## ★ Food

We offer a Posh Pizza Buffet for all events, which is great for picking and sharing!

Our pizzas are allocated at one large pizza per two guests, and are accompanied with a 'bottomless' selection of our homemade sides and fries - all laid out in a help yourself style buffet.

This is a rolling pizza buffet and usually comes up to you over a 15-30 minute time frame, as all of our pizzas are made fresh to order.

We have two different options for our Pizza Buffet:

➤ **Silver - £15 per person** (£8 for under 12's)

Our standard buffet includes a variety of our delicious hand stretched neapolitan style pizzas along with a selection of our best house sides, including fries, sweet potato fries (*with adjika dip*), house salad and raw slaw.

➤ **Gold - £20 per person** (£12 for under 12's)

Boost your buffet!! As above with added Halloumi fries, 'Posh fries' (parmesan and truffle oil) and homemade authentic Caesar Salad.

> *We make our own gluten free pizza bases in house, and can make any pizza with vegan cheese or any other changes if required. All sides on the Silver buffet are gluten free/ vegan as standard.*

> *Please clearly state **ALL** allergies and dietary requirements when confirming final numbers a minimum of 7 days before your event.*

> *We usually recommend a 50% split on meat to vegetarian pizzas - but this can be very easily altered according to your preference.*

**For groups under 20 people, you are welcome to order food individually from our menu, this will require a pre order on all food to be sent to us a minimum of 7 days before you booking.**

***Allergen menu for Pizza Buffet can be provided on request***
